

Science Test Retake Form

Students are allowed to retake a test or quiz for full credit in my science class. This form must be completed and the student must attach their post-test notes on what they didn't understand and why. I need to be convinced that the student has re-studied, understands the material at a higher level, and is ready to succeed on a retake. Please contact me with any questions.

~Mr. Groenke

Review Your First Attempt

I reviewed my first test attempt and examined the questions I missed. I made notes of concepts I did not understand.¹ My post-test notes are attached to this form.

Student Initials_____

Study Again

I have reviewed both my original notes/outline and my post-test notes.

I have reviewed all vocabulary for this test.

I have reviewed all of subjects/topics for this test.

I have reviewed the book chapter(s) that are covered on this test.

Student Initials_____
